

Xi State

June 1, 2011

REMINDER:

The Current Chapter Presidents and Area Directors will be introduced at the President's Banquet on **Friday night, June 10th**. Our Xi State President, Dee Dee Rives, has requested that we have no "stand-ins".

Here is the information concerning this event:

1. It is formal/semi formal / Sunday Dress - Dress up as much as you wish – This is your moment.
2. Be in Lower Cravens **NO LATER THAN 6 PM lined up in Area Order – beginning with Area IX and going backwards**. There will be pages [with me] to assist you. Presidents will wear both the sash and carry the flag. We will go thru the kitchen area again this year to save time.
3. I will be reading out the names. The former Xi State Presidents will be introduced first and leave the risers. I will then introduce the Area Director with the Chapter Presidents from that area. You will walk to the risers as a group with the Area Director in the middle and the Presidents in a semi-circle around her. The Area Director will be named first and then the Presidents. After all in the Area are introduced, you will place your flags in the designated stands [pages will help with this] and then walk to your assigned table. As soon as you begin walking, the next group will move into place on the risers.
4. **Please leave the sashes in your chairs** after the banquet, and we will collect them.

Let me know if you have any questions -- I will see you at the Xi State Convention!
