

SOCIETY KEYPIN INFORMATION

(Sign and place with other jewelry)

To my family and friends,

*I purchased this keypin when initiated into
The Delta Kappa Gamma Society International.
Other pins I may have received have been given to me
in recognition of services rendered to the Society.*

*Since only a member of The Delta Kappa Gamma
Society in good standing is allowed to wear the keypin,
I ask that, upon my death, my keypin, and any
other pins from The Delta Kappa Gamma Society
International, be returned to my chapter for continued
use by other members.*

Signed,

A Member of The Delta Kappa Gamma Society International
